

## **MAY 8 WILD SALMON SWAT**

Dear choir community,

We have been invited to sing at the Rally for wild salmon at the Legislative Buildings next Saturday, May 8, at 4pm. The rally is the culmination of Alexandra Morton's walk from Sointula (North Vancouver Island) to Victoria.

For details on the event, see

This invitation to sing is extended to all of you in our extended choir community, past and present, GHC, HNC and Soundings.

We'll invite the audience to join in with us on easy to learn songs such as:

My Roots Go Down;

One More Time;

Hey Thank You;

The Ocean is the Beginning of the Earth;

Step by Step;

We are the Ones We've been Waiting For.

Stay tuned for a further announcement next week about where and when we'll gather on the 8th to run through our songs before we're on.
