

## LAND WANTED

### Farm tax status work trade.

A young couple in their late 20's, each with 7 years experience who are committed to educating about local medicines/foods are seeking long term growing space with accommodation or place for a trailer. Potential partners for land owners who would like help with farm status.

- Criteria:
  - Minimum lease of 3 years, for sale/rent to own or work trade.
  - On Southern Vancouver Island or gulf Islands.
  - Permission to park an automobile.
  - Permission to have guests and volunteers for work and socializing.
  - Quarter acre or more of arable land.
  - Road access.
  - Within 1km of healthy forests for wildcrafting.
  - Within 1km of residential areas for business in edible landscaping.
  - Year 'round water for drinking and irrigation (well, stream or river).
  - Permission to practice humanure composting as outlined by Joseph Jenkins.
  
- Intentions to create:
  - annual veggie garden for private use
  - herb garden for medicine and propagation of plants for resale and workshops.
  - nut and fruit orchard for food and propagation of plants for resale and landscaping.
  - humanure composting for tree and shrub fertilization.
  - Community with neighbors
  - Food security advocacy in the community through:
    - local foods potlucks.
    - instruction about wildcrafting foods and medicines.
    - edible landscape consultation, creation, care and education.
